

REACH COMPLIANCE STATEMENT
REGULATION (EC) NO. 1907/2006

Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) is a European Union Commission (EUC) Regulation on chemicals and their safe use. The REACH regulations became effective on June 1, 2007.

REACH establishes specific duties and obligations on a business in the European Union (EU) which manufactures or imports a substance or article that includes a "substance of very high concern" (SVHC) in concentrations of more than 0.1% w/w. A substance which is listed on the "Authorisation List" published by the European Chemicals Agency (ECHA) (Annex XIV of the REACH regulations) cannot be manufactured or imported in the EU after a fixed date unless the ECHA authorizes the use of the substance for a specific use or uses. As of **January 21st, 2025** there are **247** substances on the SVHC list and 59 substances on the Authorisation List.

Further, the use of substances listed in Annex XVII of the REACH Regulations are banned in all articles or substances produced or imported in the EC except to the extent that the use complies with the specific restrictions contained in Annex XVII.

Although not required to directly register any of its products with the ECHA, Penn Elcom is committed to assisting its customers in their efforts to comply with REACH.

Penn Elcom can state that our suppliers of chemicals, compounds and materials have confirmed to us that in pursuance of the above regulations none of our products, packaging or shipping materials currently contain substances listed on the Candidate List of Substances of Very High Concern or the Authorisation List, both as published by the ECHA on its website on the date of this statement, in excess of the applicable legal thresholds.

Penn Elcom will endeavour to appropriately update or modify this REACH Compliance Statement should any changes occur in the composition of Penn Elcom products or the REACH regulations, including the addition of any substances to the SVHC Candidate List, the Authorisation List or Annex XVII of the REACH regulations.

Penn Elcom has prepared this REACH Compliance Statement to the best of its knowledge and information available. The REACH Compliance Statement is provided in good faith and can be used by our customers under their own responsibility.

Signed for and on behalf of Penn Elcom: _____
